A4.20 OPEN MEETING

One resident attended with regards to the North Willingham Community Speed Watch Group.

Ongoing speeding within the village has seen a resident volunteer and be trained by the group, with a view to holding regular speed watch events in the village of Tealby. The volunteer reported that he had been liaising with WLDC Cllr. Bunney and the Lincolnshire Road Safety Partnership, regarding all aspects of such a group being formed for Tealby, including registration, insurance, equipment requirements, and data processing of findings of any events undertaken, in conjunction with Lincolnshire Police. The Parish Council welcomed this proactive approach and offered support where needed, which has already attracted residents to volunteer and undertake training to form a group. The clerk is to obtain a copy all necessary liability information from WLDC Cllr. Bunney to ensure these events are covered by some insurance.
